Hello,

Soroptimist is a worldwide volunteer organization which that provides women and girls with access to the education and training they may need to improve their lives and achieve economic independence. We have an exciting opportunity to feature your business as well as help our club do even more locally and globally. On April 25, 2026, our club is hosting our 9th annual "Martinis & Merriment" at District 56 in Elk Grove. The evening includes delicious small bites and desserts, as well as custom martini tasting; terrific live entertainment; and a fabulous silent auction & raffle. We are expecting approximately 200 guests for a great evening of food, fun, music, humor and prizes.

We would love to have you featured as a financial sponsor. There are several levels of sponsorship opportunities, as outlined on the enclosed page. There are limited openings for sponsorship at our top Diamond Level, available on a first come-first serve basis. For each level there are multiple benefits, including pre-event publicity, notice in the program as well as recognition during the evening. Sponsors and their level of support will be posted on our website and in press releases.

Locally, our club funds scholarships for high school girls and college students transferring from a Los Rios community college to a four-year university, financial awards for women returning to school, emergency help for seniors, an awareness campaign about Human Trafficking, and we're in our ninth year of an empowerment and goal-setting program for high school girls. We also provide financial support to two young girls to attend school in the Dominican Republic. Attached is our event flyer.

Thank you for considering this appeal for your support. We'd be happy to discuss any details further at your convenience. You can reach us at the contact details below for more information.

Sincerely,

Sharon Renzo and Sherry McLellan
